Re: Henry c. Mishkoff as to Douglas W. Sprinkle  
File No. 2401/03

Dear Mr. Mishkoff:

You have sought reconsideration of the dismissal of the file in your correspondence. The file has been reviewed, however, your request for reconsideration is denied. It does not appear that the challenged statements were either knowing or material.

I do not see a basis on which to have this file reopened. Your present correspondence does not add any new evidence which would cause this office to change its initial determination. The file will remain closed, and no further action will be taken.

A decision by this office to close a file without taking action against an attorney is subject to review by the Michigan Supreme Court on a complaint for superintending control. An instruction sheet explaining that procedure is enclosed. If you remain dissatisfied with our decision, you may pay the filing fee and seek relief from the Supreme Court.

Thank you.

Very truly yours,

  
Cynthia C. Bullington  
Assistant Deputy Administrator
